

Following the worship & missions time the children will attend their chosen track time. The track time leaders will incorporate themes and lessons for the month into the track times. The track options are listed below:

ACTIVEkids (1st – 2nd) / (3rd – 5th)

Participate in exercise, games & activities that teach the importance of taking care of our bodies in a way that honors and pleases God.

Armor Up

Learn key scriptures, books of the Bible and other important biblical truths through fun activities, challenges & games. Making God's word come alive in our lives.

Build It/Make It (1st – 2nd) / (3rd – 5th)

Children will put their minds and hands together to build and make things through construction, crafting and artistic skills.

Encounter

Kids will be taught Biblical Principles of Worship Development and how these principles apply and can be used in our everyday lives. Through this class we will develop a Kids Worship Choir and Praise Teams.

Hand Speak

Learn basic sign language and learn to sign scripture and songs.

Jesus' Hands & Feet

Learn about missions and missionaries. You participate in mission projects locally and help mission teams & mission partners in a variety of ways.

Skits & Stix

Through innovative movements to today's latest worship songs and by incorporating drama the kids will learn skills that will be incorporated into worship

Worship Band

Learn how to become part of the worship band using percussion, keyboard, or string instruments. Play with the band when kids lead Sunday worship. No musical experience required, but if you already play violin, guitar, or piano, please tell us when you sign up.

Worship Technology: Audio/Visuals

Develop the skills and techniques needed to assist with Media Production. Kids will be taught the basics of how to run sound, lights, cameras, and Pro Presenter (lyrics software). **This class is limited to 4th & 5th graders ONLY**
